

WOMAN'S CLUB STARTS YEAR; LADIES PRESENT FROM LOMITA, KEYSTONE AND HARBOR CITY

The club year of the Torrance Woman's club was opened with a party at the home of Mrs. J. A. Young. There was an attendance of 60 from Torrance, Lomita, Keystone and Harbor City.

The meeting opened with Mrs. J. A. Young, President, in the chair. The minutes of the last meeting were read and approved. The minutes of the executive board meeting, which was held during the summer, were read and accepted.

Mrs. P. G. Briney, corresponding secretary, read a communication from Mrs. Toll stating that the Torrance Woman's club was allotted eight tickets to hear Mrs. Thomas G. Winter, president of the General Federation of Women's Clubs. She will speak at the Trinity auditorium Wednesday, Nov. 14. More tickets are available if some of the other clubs do not use their quota. There is also to be a luncheon on the same date at the Biltmore hotel for as many as desire to attend. Reservations must be made in advance, accompanied by \$2.50, cost of cover.

Mr. Barnett gave a short talk on night classes at the high school. Torrance was allowed \$6000 last year, of which only \$1000 was used. Most of the club members are in favor of a class in English. Mr. Barnett will be able to secure a teacher for such a class without expense to the club. He also stated that he thought it possible to have Miss Hall of Long Beach for parliamentary law classes at the price of \$2.50 for a course of ten lessons.

BETTER BABIES DAY
October 29 is to be eBtter Babies Day in Torrance, under the auspices of the children's welfare department of the Woman's club, the P.-T. A., and the Chamber of Commerce. Dr. Maude Wilde will be in charge.

The Redondo Woman's club extended an invitation to a play, "The Country Cousin," by Booth Tarkington, to be given by the drama section October 8 and 9. Proceeds to go to their chair fund.

Mrs. Curtis, chairman of the music committee, gave a few remarks, and declared that with the aid of

her committee, Mrs. Bath and Mrs. Huber, she expected to have some good selections this year.

The business meeting was suspended for a social time. Mrs. Elman delightfully entertained with two songs, "Carissima" and "I Wonder If Ever the Rose."

Mrs. Brooks had her works of art on exhibition. After carefully viewing the collection, Mrs. Francis Clark and Mrs. Winifred Barnard were the only ones to have the titles correctly numbered.

Ice cream, cake and coffee were served. The rooms were beautifully decorated with flowers in various shades of yellow.

The ladies were all delighted to have their past president, Mrs. Frank Sammons, with them. She is now district chairman of Indian welfare, and will come to the Torrance Woman's club in the near future with her program.

Club meetings are to be held in the Community hall of the Methodist church.

The parish card party held at Catholic hall last Monday evening was a success, socially and financially.
